

Brooklyn Council 2019 Conservation Project

**Attention all Cub Scouts, Boy Scouts, Family Scouts
and Venturers**

Date: Saturday, October 5, 2019 Place: Floyd Bennett Field

We are looking for Scouts of all ranks, from Tigers to Venturing, to take part in a shorefront and trails cleanup of the Floyd Bennett Field facilities. This is an opportunity to participate in an event that will not only help your community but positively impact the environment. All participating Scouts will receive a certificate suitable for framing, a specially designed Council Shoulder Patch (CSP), as well as an opportunity to earn advancement. Our goal is to have Scouts log 1,500 hours of service towards the BSA's "Good Turn for America".

The day's events are scheduled as follows: Registration/Check-In: 8:30am – 10:00am

10:00 am - All Scouts and leaders meet at the Base Camp for safety briefing, description of work to be done, individual group job deployment (jobs will be given out in age appropriate levels), and equipment issue. Gloves and garbage bags will be distributed to all participants. **Insect repellent and sunscreen use are strongly recommended.**

11:00am to 2:00pm – Patrols commence cleanup.

2:00pm to 3:00pm - Barbecue Lunch (Hamburgers, Hot Dogs, Snack Bag & Beverage)
